Movie Stars visit Us...

Two of the silver screen's most popular four-legged stars, Chloe & Papi of 'Beverly Hills Chihuahua 2', visited us at Camp Canine Hollywood, January 26th, for some much-needed pampering during a promotional tour for the DVD release of their latest movie.

The pair, whose tabloid nickname, "Chlapi," were met with several media outlets from 1:00 pm-3:00 pm and had a meet-and-greet "pawdigraph" session with fans from 3:30 pm to 5:30 pm.

Of course it all hinged on how Chloe felt after her massage, facial and "pawdicure."

Camper of the Month

Degen is a 2 ½ year old Labrador Mix. She has been a daily camper at Camp Canine for one year. Her favorite activities include chewing on the camp counselors ears and barking at her friends. She is always happy and excited to see her buddies. Degen is deserving of her new title!
